To be Chinese, and what the history and present-day China means to its people and others around the world is a captivating concept. The best way to delicately unravel and appreciate China's deep-rooted philosophies, practices, and way of life is to immerse oneself into the culture and the language. As China continues its exciting evolution, UWC Changshu China provides our students an unparalleled opportunity to become deeply involved in the culture and language, as well as learning from the innovative and future-facing mindset of China today.

Located in Changshu, a city with over 3000 years of history, UWC Changshu China is exposed to a rich national and cultural heritage that gives our students a vast opportunity to learn and experience the culture of the area firsthand.

作为世界上的古老文明之一，中国的历史可以追溯至几千年前。在过去的几十年中，中国在经济、社会、技术方面取得了巨大进步，构成振奋人心的文化脉络的一部分，从中走出的世界领先的企业和学者正在为许多行业的未来铺平道路。

中国丰厚的历史和当前的现状值得每一个中国人，乃至世界各国人民探索。要细致解读、理解和欣赏中国具有深厚历史渊源的哲学、处世方式和生活习惯，最佳的方法就是沉浸在中国文化和语言中。随着中国令人振奋的飞速发展，常熟 UWC 为学生提供了前所未有的机会让他们能够深入了解中国的文化和语言，并学习当今中国面向未来的创新思维方式。

Chinese language programme 中文项目

UWC Changshu places a strong emphasis on learning about – and respecting – Chinese culture. One way it does this is through its immersive and rich language programme.

All students at UWC Changshu China must take one Chinese language course. This aims to enhance the cultural confidence of our Chinese students, and to encourage students from abroad to develop their interest and understanding of Chinese language and culture. To meet the varying needs of students, we offer 10 different Chinese language courses.

常熟 UWC 对于中国文化的重视与尊重体现在种类丰富的沉浸式语言课程中。

为提高中国学生的文化自信与身份认同，激发海外学子对于中国语言和文化的兴趣，加深他们的理解，学校规定所有在校学生都必须修读一门中文课程。我们提供 10 种不同的中文课程来满足不同背景的学生需求。

Chinese cultural activities 中国文化活动

Cultural activities are designed to provide an immersive environment for students to understand and appreciate traditional Chinese culture through in-class learning, Zhi Xing activities and place-based exploration.

We have identified a number of key cultural programmes such as Kunqu, Guqin, Suzhou Garden and the Grand Canal, and invite our students to participate in various cultural activities.

Our students can take field trips, visit modern manufacturing industries, and explore the natural environment of China to see the country and culture from a range of perspectives.

We celebrate traditional festivals such as Qing Ming Festival, Mid-Autumn festival and Dragon Boat Festival, and we encourage our students to form and participate in Chinese Programme Zhi Xing Teams such as dragon dance, lion dance, painting and calligraphy, performing arts, debate and martial arts.

Our Chinese Cultural Evening is one of the most significant events in the school and the region. It is led, designed, directed, performed and operated by students, giving them a chance to introduce elements of Chinese culture from their own perspective, using their own words and through their favourite forms of art.

Participating in these activities allows both Chinese and foreign students to gain a better understanding of the Chinese cultural traditions and the essence of Chinese heritage.

在常熟 UWC，各类文化活动为学生提供了沉浸式环境，通过课堂学习、知行活动和实地探索等形式来理解和欣赏中国传统文化。

依托本地独有的物质和非物质文化遗产资源，学校已将昆曲、古琴、苏州园林、大运河等作为重点文化项目，并邀请学生参与各项文化活动之中。

学生有机会参加实地考察，探访现代制造业基地，探索自然环境并从不同的视角了解中国和中国文化。

学校不仅在清明节、中秋节、端午节等传统节日举行庆祝活动，也鼓励学生组织并参加舞龙、舞狮、书画、表演、辩论、武术等中国文化“知行”活动。

常熟 UWC 的中国文化晚会已成为学校，也是常熟当地最重要的文化活动之一。晚会由学生自编自导自演，从学生视角，用他们自己的语言和喜欢的艺术形式来展现中国文化元素。

这些活动促进了中外学生对中国传统文化精髓的深入理解。

Transformational Experiential Learning

实现个人蜕变的体验式学习

At UWC Changshu China, we believe that education goes far beyond textbooks and classrooms. We strive to create an environment where students are engaged in the learning intellectually, creatively, emotionally, socially or physically. Our commitment to experiential learning sets us apart and equips our students with the skills and mindset needed to thrive in an ever-changing world.

One of our flagship programs, the Zhi Xing program, meaning "putting knowledge into action," connects students to the core mission and values of UWC. Through this program, students initiate, engage in, or lead various activities and collaborative projects.

Project Week is another essential component of our experiential learning approach. Each year, our students have the opportunity to participate in self-initiated or school-organized projects in different parts of China. This immersive experience allows them to identify social issues, devise solutions, and practice the concept of "learning by doing."

Furthermore, students actively engage in community events, including cultural activities, impact weeks, environmental stewardship initiatives, and more. By

participating in these events, students gain practical experience and develop skills that contribute to their personal growth and their ability to create positive change.

在常熟 UWC，我们相信教育远不止于教科书和课堂。我们努力创造一种环境，让学生积极参与实践体验，促进个人成长、思辨能力和全球理解。我们对体验式学习的承诺使我们与众不同，并使我们的学生具备在瞬息万变的世界中茁壮成长所需的技能和心态。

作为我们的标志项目之一，知行项目，意为“知行合一”，让学生与 UWC 的使命和价值观紧密相连。通过这个项目，学生们发起、参与或领导各种活动与合作项目。

项目周是我们体验式学习的另一个重要组成部分。每年，我们的学生都有机会在中国的不同地区参与自发或学校组织的项目。这种沉浸式的体验让他们有机会发现社会问题，制定解决方案，并践行“在实践中学习”的理念。

此外，学生还积极参与社区活动，包括文化活动、影响主题周、环境活动等。通过参与这些活动，学生们获得了实践经验，培养了技能，从而促进了个人成长，具备了做出积极改变的能力。

From ideas to impact: empowering innovation

At UWC Changshu China, fostering creative thinking and interdisciplinary approaches to solving complex global issues is a key goal for us. To support this aim, we have renovated the STEAM Innovation Center, which serves as a dedicated space for ideation, collaboration, and innovation.

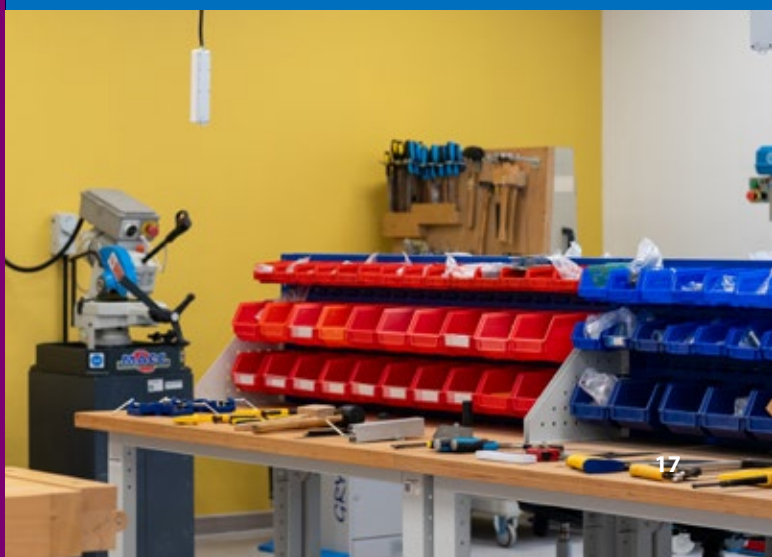

The STEAM Innovation Center is equipped with state-of-the-art facilities for Design Technology, providing students with the necessary tools and resources to explore and implement their creative ideas. However, it goes beyond just being a technological hub. It serves as a flexible space where community members can come together to shape solutions and pioneer positive changes.

Through the STEAM Innovation Center, we will train and empower our students to become future leaders who make a tangible impact in their communities and beyond. We encourage students to think critically and integrate knowledge from various disciplines, employing design thinking and innovative processes to address real-world challenges contribute to a sustainable future.

Rich and rewarding student life

丰富而有意义的学生生活

At UWC Changshu China, students embrace diversity, build intercultural understanding, and grow a sense of responsibility for their community. Our learners engage in a wide range of social and cultural activities and develop lasting memories and lifelong friendships, bring about positive changes and impact.

Our students board full time at school, including weekends, with four students sharing one dormitory room from different grades, continents, countries, provinces and cities. This setup provides the capacity for exciting, eye-opening, caring and sometimes challenging exchanges between students as they learn to manage coursework and schedules, deal with stress and care about self, friends, and their housemates.

Through participating in our CARE Programme to support a healthy and balanced life on campus, and by participating in regular house discussions, the students can confidently resolve any issues from within their house and across the student community.

Students are cared for by Heads of House, advisors and all the faculty to ensure they are safe and supported. We provide the right environment for our learners to flourish and learn about themselves and others.

在常熟 UWC，学生拥抱多元，构建跨文化理解和社区责任意识。学生参与各种社交和文化活动，彼此之间建立起珍贵的回忆和终生的友谊。

常熟 UWC 采用全日制寄宿模式（包括周末）。每间宿舍有 4 名学生，均来自不同年级、大洲、国家、省份和城市。这种刻意多元的住宿分配模式为学生创造了有趣又别开生面的交流机会，营造学生之间的互助互爱，但同时也会带来很大挑战，因为他们要自主学习、自行规划生活，合理应对压力并处理与室友和朋友间的各种人际关系。

学校积极开展关顾项目，引导健康、和谐的校园生活。学生们通过定期参加宿舍楼层讨论活动，共同解决宿舍和整个社区内的各种现实问题。

学生们在宿管老师、个人生活指导老师及全体教职工的悉心关照下，度过一段安全、愉快的校园生活。学校也将致力于为学生提供茁壮成长、不断认识自我和了解他人的良好氛围。

I would like to summarize my growth at UWC with the words of transformation and gratitude. The people here have a deep love for life and a genuine concern for the world. Their love has empowered me to face life with courage, pursue my dreams, and transform from a shepherd boy in Liangshan to a UWCer who cares about the community and the world. In this environment, diversity takes on a tangible and meaningful presence. We have discovered our own interests and passions, and have explored the relationship between ourselves and the world.

我想用蜕变和感恩来总结我在 UWC 的成长。这里的人们热爱生活，关心世界。他们的爱助力我勇敢面对生活，追逐梦想，让我从一个凉山的放牛娃成长为关心社区和世界的 UWCer。在这里，多元有了可触摸的实感和意义。我们找到了自己的兴趣和热爱，探索自己和世界的关系。
